

Gary Lawrence

Chief Financial Officer

Gary has more than 30 years of professional experience in a number of different fields and has been in the hospitality space since 2015. After graduation, Gary gravitated toward technology businesses, and he has held roles as CFO at Orcom Solutions, President at Cort Software, Turnaround Consultant, and CFO at BendBroadband. Gary was the CFO of NAVIS prior to Revinate's acquisition and is now the CFO of the combined company - Revinate.

Gary has pursued roles with firms demonstrating strong values and providing opportunities for high growth. When he's not working, Gary enjoys family time, watching sports, and spending time in the great outdoors.
